

VOLUNTEER !

You can help us **STOP** the transport of invasive plants
Volunteer at your local lake or pond to help remind boaters to check for plants!

Train to be a GREAT Boater Volunteer!

Prevent the spread of invasive species by empowering boaters to check for invasive plants on boats & trailers

Learn how to:

- Educate boaters about invasive plants
- Encourage checking all gear for plants
- Collect data on boat ramp traffic

Thursday, July 23 7:00 - 9:00 pm

**Bryant University, MRC Building, Room #3
1150 Douglas Turnpike, Smithfield, RI**

Free to Register! Contact Heather Nicholson at 222-4700 x 7728 or email heather.nicholson@dem.ri.gov
